

A TRADITION OF EXCELLENCE | A TRADITION OF GIVING

December 2023

Dear Friend of Edgewood,

In this season of gratitude, please know how much we appreciate you and your support. Our amazing students benefit daily from your commitment. Your contributions help Edgewood thrive.

Edgewood is achieving new heights. For 2023 we strengthened our mission, our people and our programs with: investments in faculty salaries to attract and retain the best teachers; joining Dominican Veritas Ministries, an innovative model in Catholic education; fresh courses including AP Computer Science 1 and AP Computer Science 2, AP U.S Government; AP World History; AP Geography, AP Calculus & AP Psychology; mathematics lab in our Learning Resource Center; exciting student clubs such as Future Business Leaders of America (FBLA); HOSA Future Health Professionals and Sports Analytics, among others. That is only a small list of all the great things happening on campus this year!

As the 2023 year closes, now is the time you can extend your impact and continue making a difference. If you have already given this year, please accept our heartfelt thank you! If your current financial situation allows you to do more, please help now.

Each donation we receive is handled in a responsible manner to address annual operating expenses, innovative initiatives such as the ones above, program enhancements, and facility improvements. Please consider making a year end gift to strengthen these and other exciting forward steps Edgewood High School is taking this year.

Making your donation in any amount is simple. Complete and mail the enclosed envelope postmarked by December 31. If you choose to make a gift in someone's name, please be sure to provide the name and address of the person(s) you would like to receive an acknowledgment card. You can also make your gift online at www.edgewoodhs.org/year_end2023.

Thank you for your continuing support of our special community of students, faculty and staff.

May you have a joyous Christmas. We look forward to seeing you at Edgewood in 2024!

Sincerely,

Kevin Rea, *President*

Monica Johnson, *Director of Development*
