

Ensuring success for future Crusaders

It's a way to make a difference.

Through the E Club, Edgewood will be able to better meet the demands of training Crusader athletes and providing them the resources to be champions, on the court, the field, and in life.

Our facilities require constant maintenance and upgrading. The E Club funds allow purchases of urgently needed equipment and fund large facility maintenance items like track resurfacing.

The mission of the E Club is to support the Edgewood Crusaders and build community while nurturing the legacy, traditions and values that come from participating in high school athletics. Through a strong, active E Club membership that provides financial and other support, Edgewood High School will maintain an environment of athletic and academic excellence for all who wear the Maroon and Gold.

It's a way to show your pride.
