Dear Edgewood Community,

What makes Edgewood so special is the fact that we are a community, a community for life. I would like to say thank you for all of your support for Edgewood and its plans to provide our students use of our athletic facilities. I need to ask ONE MORE TIME for your help.

It is critical for the Edgewood Community to register its support for repeal of the Master Plan. We have worked closely with Mayor Rhodes-Conway and the city to find a fair and equitable solution and it is critical for the Alders to see and understand the amount of support behind the repeal.

Please attend on the evening of November 19 to register your support. You can arrive any time after 6 pm to the Common Council Meeting in Room 201, City-County Building, 201 Martin Luther King Blvd. We are not asking you to stay for the meeting or speak at the meeting; however, you may do so if you would like. What we do need is for you to fill out a form stating your support of the repeal of the Master Plan. We will have students wearing an Edgewood shirt who will have forms and help you to fill them out. Our goal is to present a large stack of support forms to the Alders for them to see. **AGAIN, YOU DO NOT NEED TO STAY** after you've completed the form.

This has been a journey and together we have experienced the ups and downs of this lengthy process. We have remained fair, honest and forthright in all we have said and done. Most important, we kept our promise to follow the process that the city put before us.

I am proud to be part of the Edgewood High School Community and once again let me say thank you for all you do for Edgewood and our community.

Please let me know if you have any questions.

WE ARE EDGEWOOD
